BECOME A SPONSOR

Put your business on our wall — and stand with Detroit.

We All We Got Foundation feeds our neighbors, mentors our youth, and shows up for this city. Our website is where we show the work — and it's where our sponsors stand with us.

WHAT WE DO

We feed homeless neighbors with dignity, mentor Detroit youth, and stand with returning citizens looking for a fair chance. We serve through holiday dinners, care packages, monthly shelter pop-ups, mentoring, and community support — right here in Detroit.
